# ARENA Series

Shouldn't your sink reflect your individuality? Imagine a countertop, solid surface or natural stone, with integral sinks that suit the unique way that you prepare food and clean up. ARENA Sinks can work in tandem or alone.

Inset

## CARA Series — Sink of plenty.

CARA is bigger than most. A large and generous sink with elegant contours and the same spacious bowls. Broad drainer and two large bowls provide all the working space you could need.
